PRIVACY POLICIES

At KORNERZ, we care about the privacy and protection of your personal data. Therefore, in order for you to access and use the Platform, taking advantage of the services we can provide, first of all, we need you to know our Privacy Policy.

The privacy policy is the document by which the person responsible for maintaining a website or application explains to all interested parties how the personal data of users and visitors to the platform will be treated.

RELEVANT TERMS:

Let's start by presenting some important terms so that you understand the processing of data on the Platform **KORNERZ**.

Personal data This is all the information that allows your identification. For example, your name, CPF, email, telephone number, among others.
Sensitive Personal Data is personal data related to racial or ethnic origin, religious conviction, political opinion, membership of a trade union or organization of a religious, philosophical or political nature, data relating to health or sexual life, genetic or biometric data, when linked to You.

Processing of Personal Datameans any operation, such as the collection, production, reception, classification, use, access, reproduction, transmission, distribution, processing, archiving, storage, elimination, evaluation or control of information, modification, communication, transfer, dissemination or extraction, carried out with personal data.

When agreeing to them, we will need you to provide us with some registration data, to identify you as a contractor for our services, which will be provided in accordance with the following provisions:

1. Object

This Privacy Policy will govern the relationships between**CORNER**It is:

- **Customers**, thus considered those who maintain a direct relationship with KORNERZ, through service provision contracts and/or Terms of Use of the Platform**CORNER**;

- **The 3rd**, thus considering possible holders of personal data whose data may be subject to processing by the **Kornerz** due to its relationship with Customers.

2. Legal Positions

In relation to personal data, we have the following legal positions:

- **Controller**: is the position occupied by the Client, considering that he is responsible for making strategic decisions regarding the processing of personal data and, for this reason, he contracted the services provided by**CORNER**;

- **Operator**: is the position occupied by the**CORNER**, considering that it will carry out some of the data processing acts necessary to provide services to the Customer, in accordance with service provision contracts and/or adherence to the Terms of Use of the KORNERZ Platform; It is

- **Titular**: is the position occupied by each and every individual, in relation to the personal data subject to processing by the**CORNER**.

3. What is “Personal Data”?

For the purposes of this Privacy Policy, “personal data” is considered to be all information that refers to an individual – “third party(ies)” or “holder(s)” – as long as it identifies the plan, or allows your identification, considering the set of data existing about you in the database of the**CORNER**.

4. Personal data processing processes

A **KORNERZ** is a digital platform aimed at promoting connectivity for its customers by providing links based on the convergence of personal interests and objectives. A **Kornerz** only carries out processing acts in relation to personal data that are: (i) informed by the holder himself while browsing any of the websites, domains, subdomains and other Internet applications owned by the User; or (ii) are made available directly by the Customer to **Kornerz**.
In both cases above, KORNERZ contractually requires the Customer that the sharing or permission of direct processing by KORNERZ is duly informed to the Holder, in a clear and transparent manner. If this has not occurred, the Holder may request

confirmation of the existence of processing of their data from the **Kornerz**, as well as the deletion or anonymization of your personal data from the database of the **Kornerz**.

5. Data collected and processed

The processing of personal data carried out by KORNERZ includes, when applicable:

- Account/profile creation data on the Client's platform (if an individual), or those of the Client's representatives, according to registration information provided by the Client to enable the contracting and provision of our services, these being: (i) name; (ii) marital status; (iii) profession; (iv) ID number; (v) CPF number; (vi) full address, with zip code; (vii) email; telephone.

- Data for browsing optimization, access to pages, keywords used in the search, recommendations, comments, interaction with other profiles and users, profiles followed, IP address;

- Newsletter: the email registered by the visitor who chooses to subscribe to the Newsletter will be collected and stored until the user requests to unsubscribe;

- Sensitive data: the platform may collect the following sensitive user data: ethnic or racial origin, political opinion, religious conviction, genetic data, health data, sexual orientation.

- Third-party personal data, in accordance with the collection, processing and sharing standards proposed by the Customer, as Personal Data Controller. Such sharing occurs based on navigation data obtained from the Controller's websites, domains, subdomains and other Internet applications, which provide direct contact with such Third Parties, as holders of personal data;

- Data related to contracts: upon formalization of the service provision contract between the platform and the user and visitor, data relating to contractual execution may be collected and stored, including communications carried out between the company and the user.

Below is a list of personal data processed as a result of the services provided by **Kornerz** to the Customer, the specific purposes for which the data will be processed, the legal bases that authorize the processing of the data, and until when such data will continue to be processed:

TYPE OF PERSONAL DATA AND PURPOSE OF PROCESSING

- User and visitor well-being: improve the product and/or service offered, facilitate, speed up and fulfill the commitments established between the user and the company, improve the user experience and provide specific functionalities depending on the user's basic characteristics;

- Platform improvements: understand how users use platform services, to help with business and technical development;

- Advertisements: present personalized advertisements to the user based on the data provided;

- Commercial: data is used to personalize the content offered and generate support for the platform to improve the quality of service operation;

- User profile prediction: automated processing of personal data to evaluate usage on the platform;

- Registration data: to allow user access to certain content on the platform, exclusive to registered users;

- Contract data: provide the parties with legal certainty and facilitate the conclusion of the deal.

6. Sharing personal data

A **Kornerz** does not share personal data of Customers or Third Parties with customers or third parties, except those expressly informed in this Privacy Policy, for the exclusive purpose of allowing the provision of services by **Kornerz**, especially those responsible for spaces rented by Customers to hold scheduled events.

In addition to the cases above, eventual data sharing is limited to 100% anonymous data, that is, navigation data incapable of identifying or rendering someone identifiable, and their purpose is to target advertising according to the interests that the technology developed by **Kornerz** understands that a given Holder has, based on predictive analyzes and merely estimates.

Therefore, in relation to Third Parties, the services provided by **Kornerz** relate to “Personas”, that is, the anonymous identification of a Web Browser installed on any

fixed device (type “desktop”) or mobile (“mobile device”), made through cookies recorded in the Web Browser itself, is based on a statistical inference. Thus, the activities of the **Kornerz**, in accordance with instructions and criteria provided by the Client, in the delivery of audiences for the targeting of segmented advertising.

7. Authorization to use personal data for specific purposes

This instrument allows the **Kornerz** offer inferred and clustered Personas, without any link or identification of a specific contractor, to advertising agencies and potential advertisers for use in marketing intelligence systems, advertising placement with audience segmentation and various applications that use the segmentation feature audience, with no right to the **CONTRACTOR** on revenues relating to said offers;

8. Information security measures

All processing activities carried out by **Kornerz** have controls, systems and technical and administrative measures appropriate to market standards to guarantee the confidentiality, integrity and availability of your data, as well as that they will only be used for legitimate purposes. A **Kornerz** undertakes to maintain its technology adequately in line with data privacy standards established by Brazilian legislation and the best practices recommended by the applicable IAB (Internet Advertising Bureau), as well as all the highest information security standards used in the international market .

9. Customer Duties

Provide an adequate level of protection of personal data for the processing carried out by you, including in relation to the lawfulness of sharing/shared use of Third Party personal data in favor of the **Kornerz**, giving faithful and integral
compliance with applicable legislation, especially in relation to Federal Laws nº 12,965/2014 (Marco Civil da Internet) and 13,709/2018 (General Data Protection Law);

Give clear, transparent and unequivocal notice to Third Parties – users of their websites, domains, subdomains and other Internet applications – as applicable, regarding this Privacy Policy, as applicable, as well as regarding data collection, and must also obtain authorization to use the inferred and clustered anonymous profiles (“Generic Profiles”);

Implement in your privacy policy the necessary clarifications to Third Parties regarding the collection of browsing data by the **Kornerz**, as well as the purpose of such collection associated with the delivery of more relevant advertising and better knowledge of your preferences to optimize the experience, providing an option so that users who do not agree with the terms of use of their websites do not have their browsing monitored, albeit anonymously, and the Customer, in this case, must inform of the availability of the public service for Internet users to disable the collection of anonymous browsing data from their browser, and the Customer may, without any prejudice to the content of this clause, provide notice of such clarifications in a personalized way that meets this purpose;

Communicate to **Kornerz**, in good time to adopt the necessary measures, requests from Third Parties presented directly to the Customer regarding the exercise of their rights as holders of personal data to avoid such violations, or, when impossible to prevent them, mitigate the risks inherent to the specific case .

10. Establishment of responsibilities for the processing of personal data between Controller (Client) and Operator (KORNERZ)

KORNERZ has full responsibility for the Customer's personal data processed, however, in relation to the personal data of Third Parties, shared by the Customer with the **Kornerz**, from the provision of the services regulated in this Privacy Policy, KORNERZ is only responsible for the information security – confidentiality, integrity and availability – of the personal data processed.

First paragraph: Any other responsibilities attributed by the data subject, third parties and government authorities fall exclusively on the Customer, who will be liable regressively before KORNERZ for any losses incurred administratively and/or judicially. Due to the provision of services by **Kornerz** favor of the Customer, any and all possibilities of
breach of data protection of Third Parties related to the Customer must be communicated to **Kornerz** in a timely manner to adopt the necessary measures to avoid such violations, or, when impossible to prevent them, mitigate the risks inherent to the specific case, under penalty of the Customer being held exclusively liable.

Second paragraph: At the opportunity, the Customer acknowledges that the **Kornerz** it only processes personal data to provide its services, in compliance with the contractual obligations assumed towards the Client, and is not responsible for acts of processing personal data of holders carried out in the execution of the contractual

scope, nor for acts carried out to meet requests from the Customer or the owner himself.

Third paragraph: KORNERZ's Privacy Policy applies exclusively to the services provided by it, and is not responsible for other services that may be regulated by autonomous Privacy Policies that are not part of this Privacy Policy.

11. Rights of the holder of personal data

The following will be made available to Customers and Third Party users of the platform, whenever possible and within a reasonable period of time:

- Confirmation that we are processing your personal data; ● Access to your data

  that may be processed;

- Correction of incomplete, inaccurate or outdated data;

- Anonymization, blocking or deletion of unnecessary, excessive or processed data that does not comply with the law;

- Data portability to another service or product provider, upon express request and technical compatibility;

- The deletion of personal data processed with the consent of the holder, except in the cases provided for in art. 16 of the General Data Protection Law;

- Information about the possibility of not providing consent and the consequences of refusal; It is

- Possibility of revoking consent.

Single paragraph: To ensure your security and prevent third parties from exercising such rights, we may request information to identify the requester. We reserve the right not to respond to requests whenever they are not possible to be fulfilled, or essential for the continuity of the provision of our services, when intended to serve the holder, or if there is legal support.

12. Express consent

By using the services and providing personal information on the platform, the user is

consenting to this Privacy Policy.

The user, when registering, expresses knowledge and can exercise his rights to cancel his registration, access and update his personal data and guarantees the veracity of the information made available by him.

The user has the right to withdraw their consent at any time, to do so they must contact us via the email provided in item 14 of this instrument.

13. Cookies or Browsing Data/Similar Technologies, Log Files and Web Beacons

Cookies refer to text files sent by the platform to the user's and visitor's computer and stored there, with information related to navigation on the website. Such information is related to access data such as location and time of access and is stored by the user's and visitor's browser so that the platform server can read it later in order to personalize the platform's services.

The user and visitor to the KORNERZ platform hereby expresses awareness and acceptance regarding the use of the navigation data collection system through the use of cookies.

The persistent cookie remains on the user's and visitor's hard drive after the browser is closed and will be used by the browser on subsequent visits to the website. Persistent cookies can be removed by following your browser's instructions. The session cookie is temporary and disappears after the browser is closed. Is it possible to reset your web browser to opt out of all
cookies, however some features of the platform may not function correctly if the ability to accept cookies is disabled.

14. Changes to the Privacy Policy

We reserve the right to modify this Privacy Policy at any time, so it is recommended that the user and visitor review it frequently.

Changes and clarifications will take effect immediately after they are published on the platform. When changes are made, users will be notified. By using the service or providing personal information after any modifications, the user and visitor demonstrates their agreement with the new rules.

In the event of a merger or sale of the platform to another company, user data may be transferred to the new owners so that the services offered can continue.
